

## CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscees to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure.

FOR COSTIVENESS.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSPEPSIA, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the hearthure, bedyburn, and soulburn of dyspepaia will rapidly disappear. When it has gone, don't forget what cured you.

For a FOUL STOMACH, or Morbid Inaction of the Bovels, which produces general depression of the

will rapidly disappear. When it has gone, don't forget what cured you.

For a Foul Stomach, or Morbid Inaction of the Boucks, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

For Nervousness, Sick Hardache, Nausra, Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

For Scroftla, Eryslpelss, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The cruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

To Public The Bloon, they are the best medicane ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

Liver Complaint, Jaunnice, and all Billous

LIVER COMPLAINT, JAUNDICE, and all Bilious

LIVER COMPLAINT, JAUNDICE, and all Billows Affections arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhea, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes insbility to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is gicked to suffer such pains when you can cure them for 25 cents.

Regently, Alley and the stroubles. It is gicked to suffer such pains when you can cure them for 25 cents.

RHEUMATISM, GOUT, and all Inflammatory Fevers are rapidly cured by the purifying effects of
these Pills upon the blood and the stimulus which
they afford to the vital principle of Life. For
these and all kindred complaints they should be
taken in mild doses, to move the bowels gently, but
freely

freely.

As a DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to the purpose for which a dinner pill is employed. PREPARED BY

DR. JOHN BULL

SOMETHING NEW AND VALUABLE

The most powerful King on the face of the globe now release supreme in the American Republic. The power of the crowned heads of Europe sink into insignificance when compared to our American King.

European kings employs the power rested in them to increase the riches of the rich and lordly, and to reduce to greater misery and degradation, the poor and dependent. Our American King goes forth with equal willingness to the lordly mancion and the hamble cabin, ready sike to administer relief, and to offer health and happiness to the lordy and lowly, the rich and the poor.

DR. JOHN BULL'S AMERICAN KING OF PAIN Is the Terra Wonder of the Wonder, and the greatest blessing ever offered to afflicted humanity; to the suffering millions, the Doctor can say, relief is at your command. You have only to use this magical remedy. All those who still suffer, and will not accept the professed Balm, deserve not the pity of their families.

This wonderful medicine, during the brief period since its introduction, has carried bappiness to the hearts of thousands, and made life a charm to many who heretofore regarded it only as a painful and miserable existence.

thousands, and made he a chain a bank who herefore regarded it only as a painful and miserable cristence.

To the winds with all Limments, Embrocations, Pain Killers, and Pain Egractors, and let millions of glad tongues proclaim the merits of the great. "American King of pain," a preparation composed solely of regatives and roots, produced by America's own rich and bounteous soil.

We would ask the Ladde, who are always competent judges of what is and what is not a valuable family medicine, to do us a special favor by glving the King of Pain a single trial, and if satisfactory, exert their influence in its behalf, recommend it, speak well and often of it, and see that it is used by their afflicted feighbors. The Ladies are always charitable, and when they induce the suffering friends to use this really valuable medicine, they will be doing an set of benevolence that they can well be proud of. This is a powerful and ruly magical remedy for all external diseases, sores, awailings, burns, &c., and for many interent afflictions is a certain cure, yet it is perfectly harmless, and incapable of producing the least injurieus effects in the most delicate cases or the weakest constitution

It is entirely useless to follow the old and worn-out system of publishing to the public thousands of certificates of wonders per fined by this medicine. It costs but twenty-fire cents to try it, and Or Rull stakes his well earned reputation on the King of Pain doing all and more than he claims for it.

We would ask have younthe Rheumatism or Gout; these are not pleasant companions, and we know that you would like to drive them away as soon as possible, then use

"BULL'S KING OF PAIN." Would you be cured almost immediately of Bowel Complaint, by sentery. Summer Complaint. Cholera mor-bus, Gramp, Cole, Head Ache, Tooth or any other sche or pain, the remedy is simple and the care certain, USE THE GREAT KING OF PAIN.

ould you have your Sores, Swellings, Cuts, Burns, ds, Bruises, or any other wounds healed, we repeat MAGICAL KING OF PAIN.

Would you be cured of Scald Head, Stiff Joints, Sore Thront, Neuralgia, Sore Breast, Lumbago. Tetter or Ring Worm, Sair Rheum. Biese of Polsonous Insects, Chapped Hands, and all other Sores, either dry or running, we say again and again you's REMEDT is Dr. John Bull's "KANG OV PAIN."

Would you be cured of King's Evil Cancer. Tumors, Eruptions, or any disease of the Skin caured by impure blood, then use br. John Bull's Barasparilla internally, and the King of Pain externally, nothing can be more certain than a speedy and effectual cure.

It is a remarkable fact, that among the hundreds of

Powders.

It is a remarkable fact, that among the hundreds of emiment physicians who have examined the recipe by which Bull's Sarsaparilla is prepared, not one has condemned it, but all approve it, and commend it in the highest terms. Many physicians express themselves strongly in the belief that it is decidedly the belief preparation of Sarsaparilla that has ever been placed before the public. Although there are many physicians who feel a resuntance to having their names expended to the recommendation of any particular remedy, notwithstanding they may approve of it in the highest degree; there are others who frankly juid their support in favor of a remedy which they know is capable of doing so much good in an afficted community. As an evidence, read the following from old and respectable physicians, of high standing in the community in which they live.

## TESTIMONY:

Testimony like the following renders superflous all comments on the efficiety of Bull's Sarsaparilla. From Dr. L. P. Yandall, Professor of Chemistry in the Louisville Medical Coilege: I have looked over the list of Ingredients composing John Bull's Extract of Sarsaparilla and have no hesitation in saying that they form a safe compound, and one that promises well in chronic discusses, to which it is applicable. L. P. YANDALL M.D. Leuisvilla, June 6, 1848.

What Dr. Pyles, physician by appointment to the Louisville Marine Hospital says of Bull's Sarsaparilla: Louisville, March 20, 1849.

I have examined the prescription for the preparation of Jehn Bull's Sarsaparilia, and I believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think is the best article new in use. M. PYLES, M.D. Resident Physician Louisville Marine Hospital

Better testimony than was ever offered in favor of any nedicine. Hev E. W. Sebon — Rev E Stevenson : LOUISVILLE, May 20, 1849.

We have used John Buil's Sarsaparilla, and have known it to be used, with entire satisfaction; and we have no hesitation in starting our belief that it is a safe and valuable medical compound, and calculated to pro-duce much good and relieve much suffering and therefore would cheerfully and most expressly recommend it to the

We would earnestly invite all persons who are suffering with any of the ills that fissh is heir to, to call on Dr. John Buil's agent and get a copy of fault's Family Journal gratis; and for the aske of humanity we hope that a single individual will not be found unwilling to give itself's Sarsaparilia a trial after reading and recolecting, at the same sime, that it is impossible for the Doctor to publish the tenth part of the number of certificates of astomating curses performed by his Sarsaparilla. The amount of testimony voluntarily showered on Dr. Built's Sarsaparilla, from well known and desinguished individuals, both in public and private life, has been perfectly overwhelming.

Singer's Sewing Machines. A LL persons who desire to obtain full and reliable information respecting Suscen's Sewins Macutases—their price, capabilities, advantages, sizes, impravements, method of working, means of procuring them, and all other particulars—can do so by applying at our office.

NO. 328 BROADWAY, NEW YORK, I. M. Singer & Co's Gazette.

This paper is devoted entirely to the Sewing Machine interest. Copies will be supplied gratis to all interested.

N. B.—The unparalleled success of our Sewing Machines has induced several fraudulint initiations of them, besides numerous infringements of our patents—of which we own sixteen. Suits for the infringements of our patents have recently been decided in our favor in the U. S. Circuit Courts of New York and New Jersey. In these suits the great principle of Holding down the fubric to be second to the surface of the Machine, by a yielding pressure, which is used in all Sewing Machines—has been fully established. The Wheeler & Wisson, and the Grover & Baker Sewing Machines, as we allege, each infringe three distinct patents owned by us. We have suits against them in several of the U. S. Courts, which will soon be tried. We hereby caution the public not to buy any infringing Machines, as they can be compelled by law to stop using them, and to pay costs and damages.

IMPGRIANT TO FARMERS Premium Wheat Fans! Ladies Silk, Cashmere and Cotton Hoes;

Premium Wheat Fans!

The undersigned would respectfully inform the Farming public and all others interested, that they still continue to manufacture N. I. Thurber's Improved Premium Wheat Fans, at their old stand in Philadelphia, Tenn., and have also established steps at Clevetsand, Tenn. and Lalton, Ga., where they will be happy to wait upon their old friends and as many new ones as may desire their machines.—These Fans are an improvement upon the "I. T. Grant Fan," by Mr. Thurber, who was the inventor of the Grant Fan. These Fans have received premiums where large numbers were on exhibition, in various States of the Union, to wit:—In New York, where there were over fifty compediting for the same. Virginia, Pennsylvania, North Carolina, and the Middle Division of the State of Tennessee, have acknowledged the superiority of these Fans by swarding premiums, at their respective Fairs, to the proprietors.

These Fans enjoy unrivalled reputation wherever they have been used, for their superiority of construction, and the rapidity with which they perform their work—being able to clean one bushed per minute—and removing everything that could be accomplished by Smut Machines. One of these machines was timed and tried at Joseph Jones', near Philadelphia, Tenn., the result of which experiment the annexed certificate will show.—Good material shall be procured, and only good workmen to construct them, which enables us to warrant all work done at our shops. Those wishing good machines would do well to send in their orders early, as the demand about harvest is usually greater than can be supplied with the desired dispatch. Letters addressed to the undersigned at Philadelphia, Tenn., Cleveland, Tenn, and Dallon, Ga., will receive prompt attention.

Refer & Hinderson, Athens, Tenn., are Agents for the sale of the above Fans.

and Dallon, Ga., will receive broads and Dallon, Ga., will receive broads a CO.

Keyes & Henderson, Athen, Tenn., are Agents for the sale of the above Fans.

This certifies that the undersigned timed and tried N.
U. Thurber's Premium Wheat Fan, and state that it cleaned one bushel per minute, separating all fifth to such a degree of perfection that it canot be rivalled by any Fan now in use; and we recommend all who stand in need of such a machine to examine this improved Fan before purchasing elsewhere. J. D. Jones, Chas. Cannon, A. W. Cozanz.

This is to certify that I have been using one of the Wheat Fans manufactured by Thurber & Cotton, called N. U. Thurber's Improved Premium Fan, and believe is to be superior to any Fan I have seen in use in this country.

Philadelphia, Tenn., Dec 17, 1855.

Athens, Tenn., 20th Dec., 1855.

I purchased one of Thurber's Improved Premium Wheat Fans, from Messrs. Thurber & Cotton this year, and am well pleased with it. My hands tell me it is just the Fan they wanted.
